SKILLS

Virtual Reality

Set Design

Compositing

EMPLOYMENT

MOTION GRAPHICS / UPSOCL MX (January 2018- August 2018)
My work focused on generating audiovisual content for Youtube and Facebook platforms.

3D MODELING at ID CARSO (May 2016- June 2017)
ID Carso is a virtual reality & augmented reality company.
The work I did focused on Lowpoly Modeling using Autodesk Maya , 3D Max & C4D.

3D ANIMATION at General Gau (June 2013)
This was an internship at an animation company at Boston, USA.
We developed multimedia projects for advertising purposes.
